Subject: Support for FICCI LEADS September 10-11, 2025, Bharat Mandapam, New Delhi.
Attachments: Programme Outline LEADS 2025.pdf; LEADS Flier 26 Mar.pdf

Dear Excellency,

Greetings from FICCI, New Delhi!

It gives me great pleasure to inform you that the 4th edition of FICCI LEADS (Leadership, Excellence, Adaptability, Diversity, and Sustainability), FICCI's premier global thought leadership platform, will be held on September 10-11, 2025, at Bharat Mandapam, New Delhi.

This year's edition will be hosted under the theme: "Collaborations for Growth in a Transformative World", and will convene senior policymakers, industry leaders, innovators, and global experts to explore new models of cooperation and shared prosperity.

This year's edition will feature six thematic sessions focused on key areas, including Global Value Chains, Global AI Race, Innovation and Critical Technologies, the Start-up Revolution, Multilateralism, and Green Financing.

Over the past three editions, LEADS has seen the participation of 21 Union Ministers from India and abroad, Members of Parliament from various countries, and over 120 global thought leaders representing Asia, Europe, Africa, the CIS, the Americas, the Middle East, and the Pacific. The initiative has garnered support from more than 100 international institutions across 215 countries. For further details, please visit www.ficci-leads.in.

We would be honoured to receive your esteemed support in the following areas:

- Facilitating ministerial-level business delegations from Jordan
- Promoting LEADS through events & website of the Embassy
- Encouraging registration from industry members in Jordan to participate in the programme
- Suggestions for global speakers.

FICCI would be happy to offer the following to the business delegation from Jordan

- Speaking role for prominent personalities from the delegation
- Acknowledgement as a "Country Partner" in case of a ministerial led delegation & feature a country session/roundtable on the sidelines of the event
- Branding and recognition of the country at the event, FICCI LEADS website & social media promotions
- B2B meetings of delegates with Indian companies
- Complimentary registrations of the delegation

Enclosed is the programme outline & FICCI LEADS flier for your kind reference.

Looking forward to your continued support and to making LEADS 2025 a truly global and impactful initiative.

With kind regards,
Goutam

4th Edition

10th - 11th September 2025, Bharat Mandapam, New Delhi

Theme: Collaborations for Growth in a Transformative World

PROGRAMME OUTLINE

Day 1: 10th September 2025

10.00 a.m. – 11.15 a.m.	Inaugural Session
11.15 a.m. – 11.45 a.m.	Tea Break
11.45 a.m. – 01.00 p.m.	Plenary Session I Evolving Landscape of Global Value Chain Today more than 70% of international trade involves Global Value Chains (GVCs), providing new market opportunities and making manufacturing more efficient. However, it has also increased vulnerability to any disruptions in supply chains. This session will delve on how the global value chains are evolving and what steps are needed to enhance participation in the evolving GVCs and make them sustainable and resilient.
01.00 p.m. – 02.00 p.m.	Networking Lunch
02.00 p.m. – 03.00 p.m.	Plenary Session II The Global AI Race The session will bring together experts, policymakers and industry to delve into how AI is transforming the way we do business and how companies are adopting the use of AI for building future ready organizations. The session will explore how countries can collaborate and co-ordinate on various dimensions of AI, including policy and regulatory alignment, deployment of responsible AI and its application across different sectors including Manufacturing, Agriculture, Healthcare, Education, etc. It will also delve into the implications of AI on the future workforce, and the need for skilling.

4th Edition

10th - 11th September 2025, Bharat Mandapam, New Delhi

Theme: Collaborations for Growth in a Transformative World

03.00 p.m. – 04.00 p.m.	Plenary Session III Innovation and Critical Technologies The session will focus on how companies are gearing up and adapting new technologies to remain competitive. It will also explore how innovations by the private sector are a key to resolving some of the world's most pressing challenges including climate change, and healthcare. The discussion will also focus on how companies plan to leverage research and innovation to stay ahead in an ever-evolving digital landscape.
04.00 p.m. – 04.30 p.m.	Tea Break
04.30 p.m. – 05.30 p.m.	Plenary Session IV Multilateralism vs Plurilateralism The session will bring together experts and policymakers to debate on multilateralism vs plurilateralism as a strategy under current global dynamics. The session will also explore how targeted co-operation amongst a small group of countries can play a pivotal role in strengthening the multilateral framework, which is a critical tool for most of the small developing countries.
6.00 p.m. onwards	B2B & Networking

Day 2: 11th September 2025

10.00 a.m. – 11.15 a.m.	Plenary Session V Green Financing – Need of the Hour The session will bring together experts, policymakers as well as industry to focus on various issues and challenges related to green finance and explore solutions to address the pressing issues and pave way for increased finance and investments in green economy. It will also explore how international collaboration between governments, financial institutions as well as private sector essential
-------------------------	---

4th Edition

10th - 11th September 2025, Bharat Mandapam, New Delhi

Theme: Collaborations for Growth in a Transformative World

	to increase investments in green economy, enabling green transition by companies, including small and medium enterprises.
11:15 a.m. – 12:30 p.m.	Plenary Session VI The start-up revolution - How are start-ups changing the world? The session will focus on how the Start-ups are playing a critical role in today's world and driving growth through innovation and solutions across different sectors of the economy. The session will delve into understanding how policies can be shaped up to create an enabling eco-system for nourishing the growth of start-ups. The discussions will also focus on how successful start-ups are transcending barriers and expanding their global footprints.
