

Canton Fair Select

Canton Fair Select is an official product launch and promotion platform on Canton Fair. In this event, you can find more than one hundred remarkable NEW PRODUCTS including:

New Products leading industrial trends

New Technologies filling gaps in the global market

New Brands tickling your fancy

New Services committing to authority and profession

You are the discerning buyer who can **discover new products with us.**

You are the valuable partner who can **share new products with the world.**

We are sincerely looking forward to your participation in this feast of newly sprouted things!

//////////

Central Stage Releases, the most popular launch activities, will set one industry theme for each session.

On site, representatives of enterprises will introduce the highlights of new products to you. Meanwhile, we will prepare **interactive sections** and **various promoting materials** to comprehensively show you the new products. Also, you can get **exclusive souvenirs** as long as you visit our activities.

//////////

//////////

If you would like to get more information about Canton Fair Select and central stage releases, we will send you activity news and complete schedule once announced.

Please **click on the link or scan the QR code below**, fill in your personal information, and select the sessions you want to attend.

Later, we will inform more details to you by email. Thank you!
