Our Beliefs

We believe in creating a better tomorrow and to take the industry to new frontiers and horizons that no one ever explored.

For more than 20 years we've been pioneering the industry and introduce revamped solutions that benefit numerous manufacturers as well as easing things on the end-users.

We've worked every day into crafting different techniques and bringing the latest technologies in order to revolutionize the industry and to establish the brand that widely known today, to be CEPACK.

VISION & MISSION

Our Vision:

We work to be always the leader in providing solutions, and to be Customer first choice in harmony with profitable growth.

Our Mission:

To maintain our position of leadership in the outer boxes packaging industry through building upon our existing business in the market segments where we have the opportunity to become the recognized leader & through application of emerging technology to manufacture innovative products that protect & promote our customers product.

ABOUT US

Since 1998 CEPACK has been leading the corrugated carton manufacturing in Egypt, we made a promise to provide the highest of quality when it comes to customized cartons for all packaging needs and to always be there for our customers and serve their demands wherever they may be. We've kept this promise since then, and today CEPACK group is running powerfully through three cutting edge plants with the highest technology available in the market that serve carton demands across the globe.

DESIGNS & ARTWORK

Cepack provides the expertise that integrates both structured and graphic design to create your successful package design services program.

BOX2GO
